The SciCan Educational Scholarship

SciCan, in conjunction with the CSGNA, is pleased to again offer the annual educational scholarship in the amount of \$1500, to be awarded to a member of the CSGNA for use in attending the National CSGNA conference for the current year (conference registration, hotel, flights, meals, etc.). The award will go to a person who has made a significant contribution to GI advancement and education in her/his hospital or community.

In order to encourage applicants from all parts of Canada, each CSGNA Chapter will be asked to submit one qualified candidate for the SciCan Educational Scholarship. The choice of a candidate to submit rests with each Chapter. The application should consist of a one-page description of the candidate's contributions to endoscopy in the region. All other selection criteria that pertain to CSGNA educational awards apply.

Applications should be sent to the CSGNA Awards and Research Director by May 31st of each year. All applications should be sent to the CSGNA National Office, c/o Awards & Research Director; address can be found on the back page of *The Guiding Light*.

Choosing a winner from among the possible nineteen candidates will not be an easy task! We expect that the caliber of applicants will be very high, and neither SciCan nor the CSGNA executive believes that they we should stand in judgment of the applicants and deem that one is more deserving than the others. Therefore, assuming that the nineteen candidates all meet the criteria, a draw will be made for the winner. That person will be announced in the July issue of *The Guiding Light* and will be presented a commemorative plaque at the CSGNA annual meeting. The winner's name and photograph will also be published on SciCan's website.

Applications for this scholarship are due May 31st annually.

SciCan is a Canadian manufacturer and distributor of medical and dental products. Our medical products in Canada include the Innova endoscope washer-disinfector, Statim sterilizer, Fujinon endoscopy systems, US Endoscopy endoscopic accessories, Medcart endoscope transport systems, SciCan endoscope storage cabinets and Medisafe instrument cleaners.

SciCan is pleased to support the CSGNA and its goal of keeping its members abreast of developments in the field of Gastroenterology. We are privileged to work with such a dedicated, professional and fun-loving group of people.
